

### Biscuit Decoration Competition Report

Biscuit Decoration Competition was organized for the students of grade III to V. It was a mass competition conducted in their respective classrooms. It is a saying that first we eat food by our eyes. The students decorated them with simple icing, sweets, sprinkles, chocolates, nuts, vegetables, and fruits. They have made different shapes like dolls, a train, a house etc. This was a pleasurable experience. Children participated with great enthusiasm. Overall it was a tough competition. Result are given below:
