

### RAKHI MAKING COMPETITION

Rakhi Making Competition was held at our school for pre-primary on 17<sup>th</sup> of August, 2016.

It was truly a delight to watch young hands of our little artisans put together intricate material and fiddle for mirrors, cotton, adhesive, colouring papers, etc to deliver beautiful and extremely creative masterpieces.

We have given the rakhis made by the kids back to them as a take away which made them very happy.
