Diwali Celebration-Primary Section

From darkness to the light that empowers us to commit ourselves to good deeds, that which brings us closer to divinity; lights illuminate every corner of India during Diwali and the scent of incense sticks hang in the air, mingled with the sounds of fire-crackers, joy, togetherness and hope.

The celebration of Diwali 'The festival of light' came alive at Hanumant High School, Mahuva on the 26th October 2016. The celebration began with the thought for the day followed by a lovely prayer dance. Good over bad, Lord Ram defeated the Demons in Lanka. People celebrate this victory in this festival. Lighting symbolizes the victory of light over darkness, victory of goodness over the bad spirits. A student from STD IV B explained the importance of this festival through a presentation. The group song by students of STD IV & V 'Aayee Diwali' brought out the essence of the festival celebration. A small skit was presented by students of Grade II, depicting the story of keeping alive the spirit of helping, sharing and caring. The happy and smiling faces of children spread the light of joy in the hearts of the viewers. It also gave a very important message that true Diwali spirit means helping and sharing our things with those in need, who do not have means to celebrate this festival. The students of STD 1 showcased the spirit of Diwali through a mesmerizing dance performance.
