

ORANGE DAY & YELLOW DAY CELEBRATION

RBK Pre-primary school celebrated Orange day and yellow day on 27th September, Tuesday. The purpose of event was that the little toddlers can understand the concept of colour and objects related to it. The students of Senior KG made creative activities like pumpkins, and students of junior KG made envelopes with orange colour. And tiny tots of Nursery filled yellow colour in related pictures. The classrooms and corridors were beautifully decorated with orange and yellow coloured objects, balloons, and ribbons. All enjoyed orange and yellow day.
