

Report on Pick and Speak Activity

Speaking and good communication skills are a part of personality development. Recognizing this need for students, the activity Pick and Speak was held at Hanumant High School for Grade-1 and 2 on 4th August 2018. The topics were myself, my birthday party and my best friend. It was indeed a great joy to see students speak on these topics. The activity brought out skills including quick thinking and oratory. Over all it was an enjoyable and a learning experience for the students as they could keep abreast with the happenings in the wider world around them.
