

### School Visit

School is a building which has four walls with tomorrow inside. To introduce the tiny tots with various departments like Principal's office, Admin office, music room, art room, library, the class teacher organized a visit of the school for the Nursery students on July 20<sup>th</sup> 2018. They were surprised and amazed, as they never visited other sections of the school. They learnt about their school in a wider sense. They were also very happy to meet their principal sir and other teachers. It was a memorable moment for them.
