

REPORT ON “MATCH THE LETTER” ACTIVITY

An activity “Match the Letter” with the objects was conducted in Nursery Class on 4/12/18. In this activity letter P, B, R was kept on the floor with the objects in its parallel side. The students had to identify the letter and pick-up the object starting with the letter. One worksheet was also given to them with letter P, B, R printed in it and they had to match the letter with the object. The kids enjoyed the activity and learnt the alphabets with fun.
