

REPORT ON PURPLE DAY CELEBRATION

Colours always fascinate us. It enlivens our environment and is an integral part of our life.

Purple day was celebrated in pre- primary section on 14/12/18 to make the little kids aware about colour and how they add beauty to things around us. Purple the colour that represents the future, the imagination and dreams, spiritually calming the emotions was thoroughly enjoyed by our little ones. Tiny toddlers were beautifully dressed in purple. Children took part with great enthusiasm in art and craft activities related to purple colour, thus reinforcing the concept of purple colour.

It became more interesting when the teachers continued the day with games. It was a wonderful day along with kids and all the pre- section enjoyed the day very much.
