

Inter House Sports week celebration

“The moment of victory is much too short to live for that and nothing else,” said Martina Navratilova, tennis player. The growing popularity of computer, video games and television makes the children very inactive in their lifestyles. Slowly, educationalists and government departments have realized the importance of ‘games and sports’ and they have been making steps to make them as an integral part of the present day school education. As education is incomplete without sports. Keeping this sporting spirit in mind **Hanumant High School** had organized an Inter House sports week from 10th to 21st December 2018 in its school ground. The energetic students were ready to take part in the activities such as chess, badminton, relay, table tennis, football, volleyball, cricket, kabbadi and other athletic games. The event drew to a close with the declaration of the results, a moment which everyone had been waiting for with bated breath and the Trophy for Sports was won by the Yellow House. The students who won were awarded with certificates and motivated by the Principal Mr. Rajesh Tiwari sir and MR Mrs.Radhika Hariyani. It was an exciting week for the students of Hanumant High School and filled with lots of nostalgic memories of the eventful and educational week as it highlighted the importance of the sports and a sporting spirit to these future leaders.
