

Field trip at cotton factory

The Senior K.G held a field trip to the cotton factory on 23/02/2018. The field trip is an exciting way for children to immerse themselves in education. The children experienced and enriched the knowledge on cotton producing system. They were excited to interact with factory workers and were amazed to see the machinery. The kids were given a packet of snacks each which really made them happy. The students developed valuable and interpersonal skill.
