

Report on Photo Frame Making Activity

‘The true work of art is but a shadow of the divine perfection’. **Hanumant High School** Strives to attain a balanced growth of the students by emphasizing equal weight age on both curricular and co-curricular activities. To develop our students to hone their skills in molding out exquisite curiosities. A Photo Frame Making Activity was held on 3rd February 2018 for classes I to V. The students were asked to make the photo frames using chart paper, decorating materials and photos within an hour. The students exhibited their creative skills using these things in their own amazing ways. The aim of this competition was to develop creativity, improve motor skills and visualization among students. The activity was full of life, passion and spirit. It showed positive associations for everyone.
