

Report on Republic Day

Republic Day or Gantantra Diwas is a day of great pride for India and all Indians. Our constitution came into effect on this day in 1950 and replaced the Government of India Act (1935). The day is celebrated with great enthusiasm in all corners of the country. It is a day to remember our freedom fighters, the founder of our constitution and all the brave leaders who dared to dream of a free India. The 69th Republic Day was celebrated by **Hanumant High School**, with the entire family of Hanumant High School guest of honor Mr. Parthiv Hariyani with all solemnity and grandeur. Even the inclement weather conditions could not dampen the spirit of the enthusiastic students. The students took pride in glorifying and celebrating the spirit of unity. The main motive to celebrate this day was to make students realize the essence of our constitution & its makers. The school band played the National Anthem at the unfurling of the flag by Pre-primary Co-ordinator Mrs. Parul Vaghela. Students as well as teachers delivered short but inspiring and informative talk about the importance of the celebration and also about the achievements of the country in the last 69 years. The school orchestra and the school choir enthused the assembly with their rendition of patriotic songs. The dance form along with awe-inspiring rendition of the same by the students made all bow in allegiance to the brave freedom fighters who laid their lives for the motherland. Today we are proud of our nation's achievements and look ahead to a bright future for our country India which has flourished despite adversities to rise victorious. The republic day celebration was concluded with heartfelt vote of thanks.
