

### My Family Activity

Family is the center of life and it's the key to eternal happiness. "My Family activity" was conducted for the students of nursery class on 25<sup>th</sup> July, 2018. They made the colourful paper house, pasted the photograph of their family members like mother, father, grandfather, grandmother, brother, sister, etc. They were very excited to show their loving family members pictures to their classmates and teachers. They enjoyed this activity a lot.
