

Report on Kargil Diwas

“Our flag does not fly because the wind moves it, it flies with the last breath of each soldier who died protecting it.”It is hard to feel the passion a soldier carries for his country, even harder to feel what he feels for his family when he is on the duty. Patriotism is a social value, the feeling of patriotism is to be inculcated at school level and hence keeping this as the main objective, the students of **Hanumant High School** paid a special tribute to the heroes of the Kargil war in the assembly by students of STD III-A on Thursday 26th July 2018 to honour the soldiers on the occasion of Kargil Victory Day. They crushed our enemies and our sorrow, They gave up their today for our tomorrow, They wore a smile and laid down their lives, A salute to these gallant soldiers and their sacrifice, They are fallen but not forgotten. The students presented thought of the day and a Power Point Presentation emphasising on the value of peace in our lives and an motivating speech by Anila Mam. The assembly truly highlighted the spirit of valour and sacrifice made by the soldiers. It sensitized the students to remember and appreciate the contribution of the courageous Indian Army in protecting our nation. A mother, sister, father, brother, and a friend have lost someone close to their hearts. We can't get them back, but we can certainly stand for them, who sacrificed their lives for us. Let the same love and patriotism flow in your blood just like the war Kargilr War Heroes.
