

Report on English Poetry Recitation Competition

Poem Recitation is a mode of expression, a medium to reflect the latent talents of the young ones. Rhymes can prove to be an instrumental stepping stone for young children to develop their verbal skills and boost their confidence.

Keeping this in mind, English Poetry Recitation Competition was organized on **30th June, 2018** at **Hanumant High School** for classes I to V. The children came up with different poems and recited them with great zeal and enthusiasm. The competition inspired the children to come forward and recite on stage. The eye catching props added icing to the cake. Students were judged on parameters like confidence, voice modulation, the props used and on the overall presentation.
