

## NEAR AND FAR ACTIVITY

The concept of 'NEAR AND FAR' activity was conducted by nursery class on 28<sup>th</sup> September 2018. The teachers took the students in garden area and explained the concept by dividing the students into two groups, one for 'Near' and the other for 'Far'. Various places and objects were used to explain them. The concept like near and far to a tree, swing, see-saw, cycle, football, table. The students enjoyed the activity very much.
