

ORANGE DAY CELEBRATION

The students of pre-primary celebrated Orange Day on 7th September 2018 with a sole objective to acquaint the little ones with the concept of secondary colour and objects related to it. The teachers and children both in harmonious shades of orange enjoyed creating the hues and tints of this colour by blending red and yellow. A dynamic and stimulating learning environment was created to help the children explore their imagination and creativity through “SHOW AND TELL” activity. The tiny-tots came with an orange object and spoke few lines about their favorite object. The children enjoyed a lot and it was a great pleasure to witness little ones in Orange attire.
