

Report on Teachers Day Celebration 2018

"If a country is to be corruption free and become a nation of beautiful minds, we strongly feel there are three key societal members who can make a difference. They are the father, the mother and the Teacher." as quoted by APJ Abdul Kalam. On 5th September, 2018 students of **Hanumant High School** celebrated Teacher's Day in full bloom. On this day, we gratefully remembered the great educationalist Dr. Sarvepalli Radhakrishnan, whose dream was that "Teachers should be the best minds in the country." Hence, Teachers' Day is very important for all students, as the teachers lay the foundation for creating enlightened citizens for the nation. The students personally presented handmade cards and the badges to the School Principal, Mr. Rajesh Tiwari, Management Representative Mrs. Radhika Hariyani, all the Co-ordinators, and to all the teachers of the school. The fabulous comparing of the show was done by Prem Hariyani of class VII and Harshita Tunara of class VI. The students presented a series of fun and entertaining events for the teachers. The event started with a PPT about the importance of teachers, which was very well explained by a student of STD V Maitri Oza. The day buzzed with excitement and smiles all around when a wonderful video, made by Nikunj Sir, showing a collage of teachers in their different roles and duties on the school campus was an endearing gesture and was thoroughly enjoyed by all. The students of STD V showcased their love through a melodious song, which was enjoyed immensely by the audience. Devanshi Mehta of STD VII delivered her inspirational speech as she started with a quote. To light up the spirits of the celebration, a heart touching skit which showcased the relation between a guru and his discipile was presented by the students of the secondary section. . The event was ended with words of wisdom by the student of STD IX Shujaatali Merchant who was given the responsibility of the school Principal. He shared his words with appreciation and respect he had for Principal Sir. Last but not the least, the students who had represented themselves as teachers were awarded with certificates. It was truly a proud day for the teachers to bask in the love and attention they received from their students!
