

## OLYMPIAD REPORT

External assessment is the best way to evaluate and reevaluate the course of studies. Hanumant High School Primary Section students participated in 19<sup>th</sup> National Science Olympiad organized in 2016-17. The will to win, the desire to succeed, the urge to reach your full potential... these are the keys that will unlock the door to personal excellence. Vatsal Shiyal from Grade III, Sathwik Singh from grade IV, Abhipsa Sahu from Grade V achieved success in the school level and they have received Gold medal and certificate of excellence. All the participants were awarded with participation certificate.
