

REPORT ON KHEL MAHAKUMBH

It is work that makes a workman. ‘But one must agree that any work or talent is acknowledged and praised only when it is showcased at right place, at right time and in a right manner. **Hanumant High School** aims to help the students to provide a right platform in the form of co-curricular activities, so that the energy in them is channelized in proper direction. Our is a shining example of the amount of effort and commitment our educators put towards providing students with the best possible opportunities in their early sporting lives. Our students have excelled on the sporting field and many have been rewarded by gaining selection in the various sports competitions. Sports play a major role in shaping the personality of a child. In Hanumant High School our constant efforts are to develop the personality of our children by nurturing every aspect of their life. Getting on the way an inter-house Kho-Kho championship was organized by Khel Mahakumbh. Our students played an exciting game and held the runners up position. They truly realized the importance of Sportsmanship, and also how important teamwork is to win and succeed not only in sports but also in life. They have also distinguished themselves by participating in football, badminton, and archery competitions and two students have also been selected for District level. The school aims at developing confident, self reliant, competent and compassionate future citizens. It has always worked to empower the students and get them acquainted with their own hidden potential and that is the need of the hour.
