

Report on Kala Mahakumbh

A plethora of activities conducted in the school helps students to discover their latent talent. These go a long way in building confidence and self discipline, besides imparting skills to handle competitive situations. Students evolve as individuals and learn to work as a team. Besides expanding horizons, activities encourage students to be responsible and productive citizens. **Hanumant High School** encourages its students to be competent in every field and aspect of life. Students are given the opportunity of getting their proficiency. The prime focus of **Hanumant High School** is seeking intellectual and physical nourishment and its aim is to ensure all-round development of the child's personality. Many students of **Hanumant High school** had participated in Kala Mahakumbh on 17th, 18th, 19th and 20th July 2018. The students showcased their talent and imagination through their enthralling key board performance and also through solo and group singing. The children beamed with confidence as they displayed their talent. The tabla is a membranophone percussion instrument originating from the Indian subcontinent, consisting of a pair of drums, used in traditional, classical, popular and folk music. The students of Hanumant high school gave their sterling performances in playing tabla and they also enthralled the audiences with their harmonium and flute playing skills. The mellifluous voice of many participants rendering the classical compositions captivated the audience and the Judges alike.

The results are as follows:
