

ENVIRONMENT

“SAVE ENVIRONMENT, SAVE LIFE.” ALL WE HAVE TO DO IN OUR LIFE IS TO SAVE ENVIRONMENT, SAVE THE BEAUTY FOR THE FUTURE GENERATION, SAVE THE BEAUTIFUL NATURE, WHICH GOD HAS CREATED. NATURE NOT ONLY INCLUDES PLANTS AND TREES, BUT ALSO THE ANIMAS, THE SMALLINSECTS, AND BEAUTIFUL VARIETY OF BIRDS.

THIS ALL CREATIONS OF GOD ARE BEING DESTROYED BY HUMAN BEINGS, THE MOST INTELLIGANT OF ALL OF THEM. IT IS NOT ONLY ABOUT DESTROYING THEM, BUT ALSO KILLING THEM FOR THEIR OWN SELFISH USE. THEY KILL THE ANIMALS AND BIRDS FOR THEIR SKIN, FUR, FEATHERS, NAILS, EYES, ETC.,WHICH THEY USE FOR DECORATING THEIR HOUSE. IT IS SHAME TO SAY THAT THE MOST INTELLIGENT CREATION OF GOD, IS A SUCH A SELFISH HUMAN BEING.

WE SHOULD INTSTEAD HELP A SICK ANIMAL OR BIRD. STOP CUTTING OFF TREES TO CONSTURCT BULDINGS, HOUSES, OFFICES, ETC., WHEN THERE IS NEED OF A FEW LEAVES WE SHOULD NOT CUT THE WHOLE BRANCH. SOME SMALL STEPS TAKEN FOR OUR ENVIROMENT WILL HELP A LOT. NOT ONLY TO US, BUT ALSO TO OUR FUTURE GENERATIONS. AT LAST I WOULD LIKE TO SAY, ‘SAVE WILDLIFE, SAVE TREES, SAVE ENVIROMENT, SAVE LIFE”

“JUST ONE STEP FOR ,OUR DEAR EARTH.”
