

POEM MAKING ACTIVITY- REPORT

Definition: A poem is a form of writing that comes in different forms and shapes. A poem may have a rhyming pattern, a rhythm pattern, or be done in free verse.

Background Information: Poetry has been a form of writing for centuries beginning with bards and messengers who used poetry to pass along news, songs, and stories as they traveled from town to town. Today poems are used in songs, greeting cards, posters, gift books and other places.

The students tried to give vent to their emotions in dictions.
